Shareholder Activism and ESG: What Comes Next, and How to Prepare

May 27, 2021

The recent successes of shareholder activists against Big Oil are one of many signs of mounting and effective pressure from investors on public companies to enhance their performance and disclosures on environmental, social, and governance (ESG) criteria. This article provides background on the potential for increased integration of ESG in shareholder activism campaigns and offers practical guidance for companies to preempt ESG-themed shareholder activism.
